AS EASY AS ABC?

July 28, 2017

What if you have to choose between paying the utility bill and purchasing school supplies for your children? Thousands have the EXACT struggle!

Most kids love getting new school supplies. There is something exciting about bright, colorful notebooks and a brand new backpack! It gives hope for success and excitement for the year ahead.

But, what if you couldn't afford to equip your child for the new school year?

Family Service will be there! With your support, we will help 800 excited Yellowstone County students get ready for the first day of school in the Fall!

We want ALL students to succeed.

Your gift of \$37.50 will provide one child with a backpack and school supplies – pencils, crayons, paper, erasers, markers, pencil box, ruler and more.

- \$75 will ensure 2 students receive backpacks filled with school supplies.
- \$187.50 will help 5 students
- \$250 will help 1 family keep the lights on at home to do homework!

Success at school requires stable families.

Your gifts to Family Service help students thrive!

Together we can help them succeed!

We can't do it without you!
